Question:

What is the total expenditure to date incurred by the Corporation in connection with proceedings regarding Braddan Lodge, Quarterbridge Road, Douglas?

Response:

Whilst the Council aims to provide information wherever possible, the information is exempt under Section 35, Subsection (c) The Effective Conduct of Public Business. This exemption is a qualified exemption and a public interest test has been undertaken to determine if releasing the information would cause prejudice to the Council.

The public interest test has determined that the public interest in applying the exemption outweighs the public interest in disclosing the information. The information has therefore been withheld at this time.

The reason for this exemption is that the matter is still ongoing, and releasing the information could prejudice the case.
